ADVENTURES IN TIME

THE TEA SISTERS MEET **PRINCESSES, EMPRESSES,** AND WOMEN WITH A **SPECIAL DESTINY**

5. The Queen's Wedding

In the basement of Mouseford College, the Tea Sisters find a precious ring in a mysterious music box. Colette puts it on, while holding Paulina and Nicky by the hand. The three friends are instantly transported back in time to Bavaria, where they meet Sisi, the future empress of Austria! In the second adventure, it'll be Paulina's, Pam's and Nicky's turn to travel back to the Ancient Egypt and meet with Cleopatra.

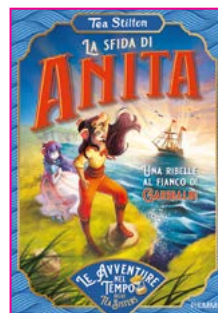

In the third book, Pam, Nicky, and Violet meet Anita, a brave, rebellious girl who's ready to fight for freedom and the highest ideals. She'll even become the rebel comrade of Giuseppe Garibaldi. In the fourth book, Violet, Paulina, and Colette find themselves in 16th-century England during the reign of Queen Elizabeth I. Adrift in a tiny boat in a storm, they're saved by a galleon commanded by Grace O'Malley, Ireland's most fearsome pirate!

The fifth book sees the Tea Sisters traveling into the fascinating Palace of Versailles, where they meet one of the most famous Queens of all time: Marie Antoinette.

CASES IN PROGRESS

UNSOLVED CASES, CONTRADICTORY CLUES, **UNEXPLAINED** MYSTERIES...

6. The Stolen Song

In her advanced math course at Mouseford College, Paulina develops a groundbreaking algorithm that identifies anomalies hidden in the news. Although it doesn't explain the reasons, it signals that something doesn't add up with certain stories. So, since the algorithm is still experimental, the Tea Sisters have to unravel the tangled web starting with that initial clue, diving head first into thrilling investigations.

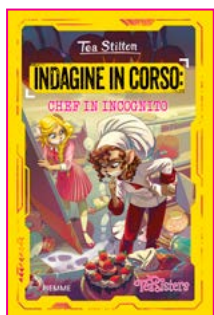

The first anomaly that pops up is on the latest trending social networking site. And it has something to do with the super-busy @findRobert, a page set up for young actor Robert Juliard who recently – and mysteriously – disappeared in Los Angeles. The Tea Sisters investigate to work out what it is that doesn't add up. So, they fly to Los Angeles where, amid filmsets, stars, and wannabe actors, they find themselves investigating a truly captivating case!

SUPERSISTERS

THE TEA SISTERS HAVE **SUPERPOWERS** AND CAN NOW TRANSFORM!

3. The Impossible Challenge

The five friends have been summoned to the underground laboratory of Aunt Dolores, a distant relative of Paulina and one of the most brilliant scientific minds on the planet. Many years earlier in an almost inaccessible cave, Dolores found Crystallium, a mysterious material of unknown origin. But the scientist isn't the only one who wants to investigate its properties and potential uses. Evil forces are also trying to lay their greedy hands on it for less than pleasant purposes. Through her research, the scientist has made five special suits from the precious Crystallium, one for each of the Tea Sisters, that magnify each girl's talents and give them true superpowers.

Are the Tea Sisters up to taking on this new, unexpected challenge and fighting like real superheroes against the most wicked minds on the planet for the good of humanity?

A story of growth, in which the Tea Sisters push themselves to their limits. Sometimes they fail, but they're always guided by their strong sense of justice and duty.
